Irregular Verbs Game Pack

Pattern sort cards, a verb table grouped by pattern, and chain story cards with openings from adult life. Students find the patterns, learn the forms, then tell a story with them.

LEVEL	STUDENTS	GROUPING	TIME
A1 to B1	Teens and adults	Pairs and fours	10 to 20 minutes

Before class

1 Print
Page 3 for every student. Pages 2, 4 and 5 once per group of four.

2 Cut
The 30 pattern sort cards and the 24 story cards.

3 Sort first
Play the pattern sort before you hand out the verb table.

4 Deal
Story verb cards face down, one opening card face up.

Three ways to use the pack

PATTERN SORT

Find the patterns

Groups spread the 24 verb cards and sort them into piles that change in the same way. Do not name the patterns first. When each group has explained its piles, hand out the pattern cards.

10 min: sort and explain
15 min: then place three new verbs

TABLE

Learn the forms

Pairs cover the past and participle columns and test each other, one group at a time. Then they cover the infinitive column and go backwards: *brought? Bring.*

5 min: one group
15 min: the whole page

CHAIN STORY

Tell it together

A group reads a Story card, then each player draws a verb card and adds one sentence with its past form, starting with the word on the card: *Suddenly, I lost my phone.* The last player ends with *In the end, ...* and one player retells the story.

10 min: one story, 5 cards each
20 min: two stories, new groups

Language for the task

TELLING

Suddenly, the lights went out.
Luckily, we found a taxi.
In the end, we got home at six.

SORTING

These two change the same way.
Swim goes with *sing*.
This one doesn't fit. Why?

CHECKING

Is it bought or brought?
How do you spell it?
What's the third form?

Which errors to fix

FIX THESE, THEY ARE THE POINT

~~I didn't went.~~ → **I didn't go.**

~~Did you saw it?~~ → **Did you see it?**

~~I buyed new shoes.~~ → **I bought new shoes.**

LET THESE GO

"I learnt" or "I learned", "I dreamt" or "I dreamed" (both are correct)

In a game, praise the right verb first. Correct the article or the word order after the round.

Play this before students see the verb table. Sort the 24 verb cards into piles that change in the same way and explain each pile. Then match the six pink pattern cards to your piles.
